duran.show

Eleven years at Google, ending as Event Studio Manager for the Americas and Latin America – operating budget and readiness standard for more than ten studios across two regions. Looking to own the rooms, executive events and all-hands behind a company's biggest moments.

EXPERIENCE

Freelance

May 2024 – Current

Freelance gig work for Audio, Video and Music Production. Focus on passion projects

Event Studio Manager, Americas & LatAm · Google

2022 – 2024

- Managed the operating budget for 10+ event studios across the Americas and Latin America
- Set and enforced room readiness and preventative maintenance standards across a distributed portfolio
- Held technical capability consistent across venues, so a traveling executive program performed identically in every space
- Owned vendor partner performance for regional AV operations

Event Technician → Crew Lead, Executive & Event Production · Google

2013 – 2022

- Technical point of contact for executive-level productions across the studio footprint
- Rebuilt production delivery for hybrid operation in 2020, against a deadline nobody could move
- Hands-on ownership of studio systems: video switching, audio consoles, multi-camera, streaming encoders

Freelance Audio Engineer · Astreya Partners

2012 – 2013

Operations & Quality Control · Video Equipment Rentals

2005 – 2012

Seven years on the equipment side, before ever standing in the room it shipped to.

SELECTED WORK demo projects, live at [duran.show](#)

Room readiness dashboard [duran.show/projects/room-readiness-dashboard](#)

Weekly room-status dashboard with an 8-week trend, open issues, and the technician walkthrough that feeds it.

Crew map [duran.show/projects/crew-map](#)

16 production seats placed by room and by department, marking the 14 I've worked.

Show-day runbook [duran.show/projects/show-day-runbook](#)

An all-hands from load-in to strike: 11 cues as called, who holds the call, and the failure plays.

HANDS ON

AUDIO	Yamaha CL series · Digital consoles · System design · Gain structure · RF coordination · Broadcast mix · Room mix
VIDEO	Multi-camera switching · Large Format Displays · Source matching · Routing · Format conversion · Graphics playout · Video Servers
DELIVERY	Streaming encoders · Platform endpoints · Google Meet at scale · Hybrid production
OPERATIONS	Readiness standards · Preventative maintenance · Spares strategy · Vendor performance · Budget ownership · Technical Program Management

EDUCATION

Sound Arts · Ex'pression College for Digital Arts

Graduated valedictorian. Elected chair of the campus Audio Engineering Society chapter.
